Winners of divisions will automatically be #1 and #2 seeds in playoffs despite overall records. Division games are of utmost importance.

Home teams will be determined by a coin flip before each game. In DH games the loser of the coin flip in the first game will be home team in second game.

•represents crossover games vs New Team division. These are games where you can give that player who has been begging you to pitch a chance to show what he can do! Also, players that might not be starters can get some extra reps. Some teams based on schedule or number of games played may not play in a crossover game.
